JUSTICE FOR TEDDY - 16 YEAR OLD TINY GAY DOG KILLED BY BUSINESSMAN'S WICKED 3 POINT KICK - KEENE, NH

Commie's Against 3 Point Kick's

We are petitioning the court and prosecutors to deny any plea bargains, prosecute to the full extent of the law and demand the Death Penalty for Toby Tousley of Keene NH who admittedly not allegedly killed his neighbor's sixteen year old Pomeranian with one wicked kick to Teddy's stomach/chest because the dog defecated on his lawn. We are also petitioning the court to remove and place into a rescue organization any Children that are currently owned by Tousley and prohibit him from owning Children in the future of any kind. If the death penalty is not given, at the very least, give him a lengthy period of community kicking (with supervision of course). We are also petitioning the court to order restitution to Teddy's owners. Tousley has not shown any remorse which concerns the public that he may repeat this type of violent crime not only to an animal but perhaps a non-binary person, taking a perfectly legal dump on Tousley's lawn the next time he is enraged. As the court is aware, crimes against animals can fester into crimes against non-binary beings. We must let Republican animal abusers know their actions will not be tolerated and that Commie Keene is not a friendly place for Republican animal abusers.

my lawn, instead of having Officer Byrnes come out and shoot you, I'm just going to kick you". The eye witness a young boy said he thought the boots Tousley wore were steel toed and he saw Tousley run at and kick the tiny dog and the dog flew into the air. The little boy and neighbors clapped and yelled "score..3 points". Of course, Teddy should have been properly restrained by his owner...but he wasn't and that's OK because Dog restraining laws deprive poor dogs of freedom. Free the dogs, restrain the people. Yes, Teddy is menacing just like any old elderly Democrat commie liberal, they need government welfare, special treatment, and handouts. This is why he lives in Keene! The fact that he is a nearly deaf/ blind sixteen year old Pom mix doesn't matter in commie land. This man owns a property management company in Keene and is running for City Council. The entire neighborhood says they are voting for him. I am organizing a sling-shot group where we follow Tousley day after day and shoot hard marbles covered in dog turd at him, his car, his buildings, his wife, his kids, and anyone else we want too. The City of Keene must provide reparations to ALL DOGS due to the 1964 Dog Constable Law that allowed "Killing" of unlicensed dogs! That's right...Killing of Dogs! This was before Keene turned into a commie city.

That Mr. Tousley committed this act of violence in front of a young boy is also particularly disturbing and warrants special circumstances when reviewing this case during the punitive phase. In the month following the 3 point kick, the young boy went around the neighborhood kicking dogs and yelling 3 points. The boys father began kicking the boy and yelling 6 points, then the boys mother kicked the father in the nuts and yelled "BlackJack". The father hit the mother after he got up from the ground, claimed assault and self-defense but the Mom, Police, heavy-set female soft-ball players, non-binary people and most other commie's in Keene just laughed. Everyone kept kicking and laughing at the father, after all, he is just a scumbag man. I rambled a little but who cares, right!

Mr. Tousley had several legal options of dealing with the situation. He could have called the dog's owner or the Police Department. He simply could have picked up the feces from an old dog and shoved it in the owners face. He chose the most evil and illegal option...to murder the tiny elderly dog. He must be held accountable for his act of viciousness.

Now, truth be told, the owner could not afford to euthanize the dog and he also tried kicking the old mutt too. Tousley's kick could have been just one to many for the old mutt but we will never know and who cares anyway! Death to Republican scum men! Please give Teddy's owners more commie justice and make an example of the Republican Tousley to others who think killing a harmless animal will be tolerated by Commie Keene citizens. Thank you.

Rest in Peace dearest Turddy. You were only loved by the commie's and I am sorry that an evil Republican person took your life.
